
CARBONDALE HISTORICAL SOCIETY

November 22, 1982

Senator Arlen Specter
342 Russell Senate Office Building
Washington, DC 20510

Dear Senator Specter:

Carbondale does not need a new post office. To spend a half million dollars on a new post office in Carbondale is to misuse taxpayers' dollars. If federal money is available for use in Carbondale, it should be used to remodel the present post office and to restore and rehabilitate other historically and architecturally important buildings in Carbondale. To move the post office from its present building is to jeopardize the life not only of Main Street but also of Carbondale itself.

Sincerely yours,

S. Robert Powell
President
